# Etac Relax shower seat

Scandinavian design for the modern bathroom

## Attention to detail

Etac Relax has been designed to ensure a secure and enjoyable shower experience. Design, function and safety are extremely important to us, and this is presented here in the form of a discreet, wall-mounted shower seat. The shape of the seat offers the option of varied sitting positions, resulting in improved access. It is always close at hand, but as it can be folded upwards it never takes up any unnecessary space.

## Adapted to your needs

Etac Relax comes in two colours and six different models, which have all been designed to create options specifically for you.

### Product name

- White	81703010
- White, with arm supports	81703020

Ferrules; TPE

Clean the product with a solvent-free cleaning agent (pH level 5–9), or with a 70% disinfectant solution. Can be decontaminated at max 85°C / 185°F if so required.

## Features

### Large, stable seat

Large and stable seat when folded down and extremely discreet when folded up.

### Easy-grip arm support

The shape and material of the folding arm supports provide a safe and secure grip.

### Functional design

The shape of the seat offers the option of varied sitting positions, resulting in improved access.

### Easy to fit

As there are only three fixing points, installation is both quick and easy.

Screws/fastener are not included. May be mounted on walls with sufficient load-bearing capacity only. Please ensure that suitable fixtures are used. Mounting of the seat must be carried out by a qualified person. More information in Etac Relax user manual at [www.etac.com](http://www.etac.com).

## Accessories

### Back support, soft

Soft heat reflective back support. Attached to the wall with velcro. White

81704060
