This Prescription Form is used when ordering a single wheelchair (with accessories) in a particular configuration. For more info on different configurations and accessories see the Prescriber Information (doc. nr. 97715-1) and specific Info Sheets. User manuals and assembly instructions are also available at hdrehab.com.

All wheelchairs include Wheel-, Seat-, and Back frames, Push bar, Drive wheels, Castors, Caregiver brakes, Seat plate, Tip protectors, and Transport mounts. 24" models also include User brakes.

1. CHASSIS

	Seat width	Art. nr.
HD Force 24 Self propelled version Seat depth 48-57cm (with seat cushion)	54	<input type="checkbox"/> 60615-6

Armrest Wide	<input type="checkbox"/>	63401	<input type="checkbox"/>	63402
--------------	--------------------------	-------	--------------------------	-------

11. ALTERNATE CONFIGURATIONS

Alternate configurations of HD Force wheelchairs must be evaluated for risk. Evaluate if there is an increased risk of tipping and/or pinching for the particular user with the desired modification. If there is increased risk, make an informed decision as to whether the alternate configuration is still warranted. Inform everyone involved about the risks.
