

Timo Electric Shower Trolley

Ref: 155030

The Timo Electric Shower Trolley enables easy care and bathing of patients thanks to its dynamic design and functionality. The electronic adjustment allows for a smooth transition for patients and less strenuous activity for carers. Using independently operated pillars the trolley is able to achieve trendelenburg and anti-trendelenburg positions.

Assessment notes

- Vertical lift - no extra allowance needed
- Please take into account the external width when assessing
