

NEW
swifty 3

THE SWIFTY FAMILY

One family. Many sizes.
Always easy to use.

Thomashilfen

Oh la la

Here it is! **Swiftly³**

Strong. Stylish.
Ready for any journey!

The new Swiftly 3 has been specially designed for users with a **height of 150 to 175 cm (59.1 - 68.9")** and a **body weight to 82 kg (180.8 lbs)** — combining everyday practicality with ergonomic innovation and compact design.

Perfect for life on the go
engineered down to the last detail:

New folding mechanism:

Intuitive, and effortless — ideal for daily use.

Redesigned back panel:

Only as large as necessary — increasing comfort.

Enhanced positioning:

Optimal support for head (new!), torso, and legs — ensuring anatomical posture.

Accessory-ready:

Clever padding concept keeps rear open and front offers easy access — for easy accessory mounting.

New cushion system:

Washable up to 60 °C, easy to remove — hygienic and user-friendly.

Pin lock brake:

Secure hold with minimal effort.

Space-saving:

Compact when not in use or when seated at a table.

Crash tested:

For maximum safety for all passengers.

Developed for
professionals.
Built for
everyday life.

The new design, featuring high-quality oval tubing, gives the Swiftly 3 a clean and modern look while ensuring structural strength. The modular build seamlessly integrates into the Swiftly system and offering flexible support across life stages and care levels.

Small folding size.
Especially quick and comfortable
to fold up.

Swiftly³
Mobility that fits.

Simple use, light & swift

Here comes **Swift**

A stable, comfortable rehab stroller with a fixed seat; it can withstand the many stresses of day-to-day life and is quickly ready for use.

5-point belt with padded harness as a standard feature. Seat, back and footrest provide safe and firm support — a convenient place to sit for the child.

Seat minimizer for smaller children (accessory) — grows with your child for a very long time.

Seat depth adjustable without tools — even while the child is sitting in the rehab stroller.

Comfortable sitting for the child: the washable seat cover is soft and breathable — preventing perspiration and providing a thoroughly cozy feeling.

Max. Height (User)
115 cm
(45.3")

Max. Weight (User)
35 kg
(77.2 lbs)

Swift & Swift 2

The lightweight rehab strollers for both small & larger kids

Back angle can be adjusted for positioning and relaxed seating.

Small folding size — especially quick and easy to fold with a flick of the wrist.

Fold lock (only for size 2) keeps everything securely folded together.

With the spacious Swift size 2

- Teenager that weigh up to 50 kg / 110.2 lbs.
- And are up to 150 cm / 59.1" tall can be cared for with a rehab stroller

Transit tie-down-kit for safe transport in a vehicle (available for all sizes, standard for size 2)

Foldable and height-adjustable footrest.

Max. Height (User)
150 cm
(59.1")

Max. Weight (User)
50 kg
(110.2 lbs)
