

**NEW**

# EASyS Advantage

Maximum driving comfort  
for an easy-going day

# More comfort, more safety: This is **NEW** ...

” Sitting for long periods can be exhausting, but sometimes it is necessary. You will be thankful when your rehab stroller is perfectly adjustable with cozy, comfortable seating. “

Easy seat assembly and rapid change of viewing direction – without tools:  
 • forward facing  
 • rear facing

180° lying position for children who need it

**A single release lever on the back**  
 • seat tilt-in-space  
 • separates the seat from the base frame

Transportation lock to prevent unwanted unfolding, e.g. when lifting the stroller into the car

Extremely thick cushions for great comfort.

No tools needed for seat width and depth adjustments

Choose between 5 upholstery styles:

				
red/ grey	blue/ grey	green/ grey	magenta/ grey	grey/ grey

Cushions are breathable and washable

Chassis colour: black 

New sportier footrest

Lever for easy adjustment of the knee angle at the pivot point

Much more storage space available under the seat:  
 • washable basket (inclusive)  
 • vent tray (optional)

Soft suspension absorbs vibrations and ensures a good riding pleasure without compromising steering

Convenient brake, clearly visible in red

## **EASyS Advantage**

Maximum driving comfort for an easy-going day

## Accessories (selection)

Handy accessory plate for medical devices, e.g. oxygen tank or suction equipment

Grip rail and flexible butterfly/chest harness for a comfortable and secure position of the upper body

Abduction block for guiding the thigh

Flexible lateral trunk supports and a 4-point pelvis belt for positioning the upper body and the pelvis

Comfortable sleeping bag, padded inside or with woven fur for cold days

Handy tip assist to facilitate curbs and other obstacles

Accessory bag on the back for all the little necessities

**You will find the total overview of all rehab accessories in the order form.**
